

Hello everyone,

The nomination list for batch representatives is now available. You have the opportunity to vote for the individuals you believe will best represent our batch. Here's how the voting process works:

Each voter has **four preferences for IT Boys, three for IT Girls, three for ITM Boys, and three for ITM Girls**. When you vote, allocate marks as follows:

- Your 1st preference receives 20 marks
- Your 2nd preference receives 15 marks
- Your 3rd preference receives 10 marks
- Your 4th preference receives 5 marks

The candidates with the highest accumulated marks in each category will be selected as representatives **(THE PERSON WHO GETS THE HIGHEST MARK, WILL BE SELECTED AS THE MAIN REP)**.

The final set of representatives will comprise:

- 5 representatives for IT Boys
- 4 representatives for IT Girls
- 2 representatives for ITM Boys
- 2 representatives for ITM Girls
- 4 representatives for Tamil-speaking students

Please review the candidates carefully and choose wisely. Your vote will determine who will represent our batch effectively.

Thank you for your participation in this important process.
